### President's Welcome

Welcome to the 2010 meeting of the Social Science History Association!

SSHA is returning to the Palmer House for the 7th time – for returning SSHA members I hope this means a pleasant trip down memory lane for you as it does for me, as well as an opportunity to sample the newest scholarship. For our many first-timers, welcome -- I hope this occasion proves as rewarding for you as it was for the many SSHA members who return year after year to renew ties with colleagues across our constituent disciplines and to engage in the spirited intellectual exchanges for which SSHA is known. I hope to see many of you at the Welcome Reception on Thursday evening.

Kudos to all for authoring such interesting papers and comments, and particular thanks to the 2010 program committee co-chairs, network representatives and SSHA and Indiana University Conferences officers and staff for helping us to put together such a multifaceted and intellectually engaging set of panels – over 230 in all! This year's theme is "Power and Politics," and will feature a number of Presidential panels in the form of roundtable discussions on various aspects of these topics. SSHA programs are built by the networks, and you have the opportunity to get involved from the outset of next year's program by attending the network meetings, which will be held on Friday, from 12:30pm-1:15pm and 1:15pm – 2:00pm.

Please join me at Saturday's business meeting to hear more about SSHA's fortunes and to applaud our honorees, and at the Presidential Reception that follows. I would like to thank several units at Northwestern University for their generous support of the Presidential reception: the Department of Sociology, the Roberta Buffett Center for International and Comparative Studies, the Graduate School and the Weinberg College of Arts and Sciences.

On behalf of all of us, I would also like to thank the Charles Tilly and Louise Tilly Fund for Social Science History, which is administered on our behalf by the Social Science Research Council, for their generous support of graduate student travel grants. Graduate students are the future of SSHA, of course, and we are extremely fortunate to have such enthusiastic partners in supporting their scholarship.

Have a wonderful meeting, and enjoy each other and Chicago.

Ann Shola Orloff  
2010 SSHA President

**SSHA Membership**

The Social Science History Association is an interdisciplinary group of scholars that shares interests in social life and theory; historiography, and historical and social-scientific methodologies. SSHA might be best seen as a coalition of distinctive scholarly communities. Our substantive intellectual work ranges from everyday life in the medieval world – and sometimes earlier -- to contemporary global politics, but we are united in our historicized approach to understanding human events, explaining social processes, and developing innovative theory.

The term “social science history” has meant different things to different academic generations. In the 1970s, when the SSHA’s first meetings were held, the founding generation of scholars took it to reflect their concern to address pressing questions by combining social-science method and new forms of historical evidence. Quantitative approaches were especially favored by the association’s historical demographers, as well as some of the economic, social and women’s historians of the time. By the 1980s and 1990s, other waves of scholars – including culturally-oriented historians and anthropologists, geographers, political theorists, and comparative-historical social scientists -- had joined the conversation.

New intellectual directions continue to emerge at the outset of the 21st century. Today’s SSHA incorporates a diversity of scholarly styles, with lots of crosstalk among them.

Inquiries about membership in the Social Sciences History Association should be directed to **William C. Block**, Cornell University - CISER, 391 Pine Tree Road, Ithaca, New York 14850. Email: [block@cornell.edu](mailto:block@cornell.edu).

**SSHA Journal**

Social Science History, the journal of the Social Science History Association, is published quarterly and is sent to members of the association. Manuscripts should be submitted in triplicate to editor **Douglas Anderton**, Social Science History, Social and Demographic Research Institute, W34A Machmer Hall, University of Massachusetts, Amherst, MA 01003-9278, e-mail: [ssh-journal@sadri.umass.edu](mailto:ssh-journal@sadri.umass.edu).

**SSHA 2011 Annual Conference**

The Social Science History Association will hold its 36th annual conference in Boston, Massachusetts, November 17-20, 2011. The conference will be held at the Boston Park Plaza. The organization’s long-standing interest in methodology makes SSHA meetings exciting places to explore new solutions to historical problems. We encourage the participation of graduate students and recent PH.D.s, as well as more-established scholars, from a wide range of disciplines and departments.

Future dates and sites: November 1-4, 2012, Vancouver, British Columbia, Canada (The Westin Bayshore); November 21-24, 2013, Chicago (Palmer House); November 6-9, 2014, Toronto, Ontario, Canada (The Fairmont Royal York); November 12-15, 2015, Baltimore, Maryland (Hyatt Regency Baltimore on the Inner Harbor); November 17-20, 2016, Chicago (Palmer House); November 21-24, 2019, Chicago (Palmer House).

**Book Exhibit**

The book exhibit will be located in the Adams Ballroom, on the 6th floor of the Palmer House. In addition to The Scholar’s Choice, which will be representing several publishers, SSHA welcomes the following exhibitors: Duke University Press, the University of Minnesota (Minnesota Population Center), the University of Chicago Press, the Edwin Mellen Press, and the Oxford University Press.

**Exhibit Schedule:**

Friday, November 19, 8:00am-5:00pm  
Saturday, November 20, 8:00am-5:00pm

## The City of Chicago

Chicago is a world-class city of unsurpassed beauty, attracting visitors from around the nation and the world. Located on the shores of Lake Michigan in the heart of the Midwest, Chicago is home to the blues, experimental jazz, Wilco, Common, sports teams, an internationally renowned symphony orchestra, spectacular live theater, celebrated architecture, thousands of restaurants, and museums and shops.

### Architecture, Sightseeing, & Neighborhoods

The city of Chicago is a veritable museum of modern architecture. It is the birthplace of the skyscraper. For information about tours contact the Chicago Architecture Foundation, the Frank Lloyd Wright Preservation Trust, or Chicago Landmarks. Please see the “Helpful Phone Numbers” listing for contact information.

Chicago is known as a city of neighborhoods. To see Chicago and all its neighborhood complexity, you can travel the extensive transit network, or rent a car. But try to plan at least one walking tour. Twenty neighborhood and special tours depart from the Chicago Cultural Center at Randolph Street and Michigan Avenue, a convenient downtown location. The Chicago Architecture Foundation also conducts guided tours, by foot or bus, focusing on the city’s distinctive architectural heritage. The lakefront is only a short walk from the Palmer House Hilton and, while it could be a bit chilly, leisurely strolls are possible. Even more accessible for a quick break from the hotel is Chicago’s central business district, the Loop, which offers architectural gems, outdoor sculpture, shopping and some of the city’s major tourist attractions. The best view of Chicago can be seen from the Willis Tower (formerly Sears Tower), located at 233 S. Wacker Drive. The Hancock Observatory, about one mile north of the Palmer House, provides spectacular views of Lake Michigan, Navy Pier, and Lincoln Park. This 94th-floor observatory, more than 1,000 feet above Chicago at the John Hancock Center, features an open-air skywalk, the Midwest’s highest open-air experience.

#### Museums

First of your list of museums to visit should be The Art Institute of Chicago (with free entry on Thursday evening). With its famous lions adorning its entrance, this world renowned museum is located just blocks from the Palmer House, on Michigan Avenue where Adams Street ends. The Field Museum of Natural History also comes highly recommended, located at Museum Campus just south of Grant Park. The Alder Planetarium and the Shedd Aquarium are also located there. The Museum of Science and Industry and the DuSable Museum are in Hyde Park, reachable by bus or cab. If you plan to visit a number of museums, you may want to purchase a CityPass, which includes all of the museums listed above, as well as the Hancock Observatory. The cost is \$69.00 for adults. You can purchase the pass as any of the museums or online at [www.citypass.com](http://www.citypass.com).

## Parks and Other Attractions

Located in downtown Chicago between Randolph and Monroe Streets, Millennium Park is an extraordinary showplace for sculpture, art, music, architecture and landscape design. This brand new 24.5 acre park showcases Chicago as one of the most culturally sophisticated and diverse cities in the world. Its centerpiece is the dazzling Jay Pritzker Pavilion designed by Frank Gehry, one of the world’s leading architects. Directly south from Millennium Park is famed Grant Park, home to beautiful Buckingham Fountain. Lincoln Park stretches across Chicago’s north side.

### Dining in Chicago

Chicago has it all when it comes to dining—and some of the best in the nation. Chicago is well known for Chicago-style pizza, hot dogs (don’t forget the sport peppers), beef sandwiches and Midwestern steaks. Restaurants in the central areas and the neighborhoods range from the classics to trendy and up-to-the-minute spots.

### Chicago Entertainment

Chicago has a stimulating and diverse music scene. Some popular downtown haunts for blues include Blue Chicago, Buddy Guy’s Legends, House of Blues, and Kingston Mines; for a less touristed spot, try Rosa’s Lounge near Logan Square. For jazz downtown, Andy’s Jazz Club, Jazz Showcase, or The Back Room are all good stops. The Green Mill, once frequented by Al Capone and now a hipster favorite, is a short ride on the el from the Palmer House (Lawrence stop), while the Velvet Lounge, the headquarters of experimental Chicago jazz (AACM), is at the Chinatown/Cermak stop. Classic music lovers can inquire about tickets to the Chicago Symphony Orchestra at (312) 294-3000. Experimental music abounds; try the Hideout on Wabansia -- (773) 227-4433, or Elastic in Logan Square – (773) 772-3616.

Chicago’s theater scene is known for its level of innovation. For performance schedules and half-price ticket availability (on the day of performance), please call HOT TIX at 312-977-1755 or visit [www.hottix.org](http://www.hottix.org). You can also contact BestSeatsChicago at 800-342-7328 or [www.bestseatschicago.com](http://www.bestseatschicago.com) for your favorite concerts, sporting events, and more.

The Navy Pier, located on Lake Michigan just east of downtown, has been Chicago’s landmark since it first opened in 1916. It now showcases a unique collection of restaurants, shops and plenty of entertainment.

Most importantly, enjoy your stay in Chicago! Information on restaurants and additional sites will be available near the SSHA registration desk.

Information about Chicago and Chicago entertainment is also available from the Chicago Convention and Tourism Bureau website – [www.meetinchicago.com](http://www.meetinchicago.com) or online at the Reader: <http://www.chicagoreader.com/>

**Chicago Area Universities**

Chicago is home to both the University of Chicago and Northwestern University, as well as a number of other world class Universities. The University of Chicago is located in beautiful Hyde Park, just a short train or bus ride from downtown. By bus, the CTA #6 Jackson Park Express bus will take you from downtown Chicago to Hyde Park. Catch the bus southbound on State Street in the Loop. Get off at 57th or 59th Street, walk under the train tracks, and continue west to the campus. By train, catch the Metra Electric commuter train at the Randolph, Van Buren, or Roosevelt station. Get off at 57th or 59th Street and walk west to the campus.

Northwestern University is located in Evanston on the shores of Lake Michigan. From downtown the campus is most easily accessible by train (the 'L') by taking the Red Line train north to Howard and transferring to the Purple Line. Exit the purple line at Foster and walk east three blocks to campus. Those wishing to see downtown Evanston may prefer to exit one stop early at Davis; walk east to Chicago Avenue and then North on Chicago to central campus.

Also easily accessible via the CTA Red Line train are DePaul University (Fullerton stop) and Loyola University of Chicago (Loyola stop).
