President's Welcome

Welcome back once more to Chicago for the 2013 Annual Meeting of the Social Science History Association. The conference program includes a wonderful range of papers, some related to the theme of "Organizing Powers" and others representing the expansiveness of work that is so characteristic of the SSHA. I am particularly grateful to the 2013 Program Committee – Dorit Geva, Ajay Mehrotra, and Evan Roberts – and to all the network representatives for their many contributions to the making of this year's program.

The network meetings have been scheduled for midday on Friday. As veterans know, SSHA is a determinedly participatory organization and much of the planning for the next annual meeting occurs at these gatherings. Whether this is your first time at the conference or the latest of many, the network meeting is your chance to influence next year's program.

Friday will also feature a new kind of session that expands opportunities for participation: the discussion table. Some of the networks experienced marked surges in submissions this year. To accommodate all the interest, a number of those panels and papers will take place around large tables; presentations will be somewhat shorter to allow significantly more time for conversation about the featured papers. We will also have a poster session Saturday morning. I encourage everyone to participate in one or both of these formats for sharing new work .

I am grateful to all those who have contributed to the Charles and Louise Tilly Fund for Social Science History. This fund supports travel awards from a number of graduate students to present at the conference as well as a prize for the best graduate student paper at the annual meeting. Graduate students are both vital to the association's present and constitutive of its future, so contributions to this fund are most welcome.

Finally, please join us on Saturday evening for the Business Meeting and the Presidential Address. These are followed by the President's Reception, generously sponsored this year by the Division of the Social Sciences of the University of Chicago.

SSHA Membership

The Social Science History Association is an interdisciplinary group of scholars that shares interests in social life and theory; historiography, and historical and social-scientific methodologies. SSHA might be best seen as a coalition of distinctive scholarly communities. Our substantive intellectual work ranges from everyday life in the medieval world – and sometimes earlier -- to contemporary global politics, but we are united in our historicized approach to understanding human events, explaining social processes, and developing innovative theory.

The term “social science history” has meant different things to different academic generations. In the 1970s, when the SSHA’s first meetings were held, the founding generation of scholars took it to reflect their concern to address pressing questions by combining social-science method and new forms of historical evidence. Quantitative approaches were especially favored by the association’s historical demographers, as well as some of the economic, social and women’s historians of the time. By the 1980s and 1990s, other waves of scholars – including culturally-oriented historians and anthropologists, geographers, political theorists, and comparative-historical social scientists -- had joined the conversation.

New intellectual directions continue to emerge at the outset of the 21st century. Today’s SSHA incorporates a diversity of scholarly styles, with lots of crosstalk among them.

Inquiries about membership in the Social Sciences History Association should be directed to **William C. Block**, Cornell University - CISER, 391 Pine Tree Road, Ithaca, New York 14850. Email: block@cornell.edu.

SSHA Journal

Social Science History, the journal of the Social Science History Association, is published quarterly and is sent to members of the association. Submissions are invited via the online platform supported by Editorial Manager. To submit an article, please visit www.editorialmanager.com/ssh. Further information can be found at: <http://history.mit.edu/content/social-science-history-0> or by contacting socialsciencehistory@mit.edu.

SSHA 2014 Annual Conference

The Social Science History Association will hold its 39th annual conference in Toronto, Ontario, Canada November 6-9, 2014. The conference will be held at the Fairmont Royal York. The organization's long-standing interest in methodology makes SSHA meetings exciting places to explore new solutions to historical problems. We encourage the participation of graduate students and recent PH.D.s, as well as more-established scholars, from a wide range of disciplines and departments.

Future dates and sites: November 12-15, 2015, Baltimore, Maryland (Hyatt Regency Baltimore on the Inner Harbor); November 17-20, 2016, Chicago (Palmer House); November 21-24, 2019, Chicago (Palmer House).

Book Exhibit

The book exhibit will be located in the Adams Ballroom, on the 6th floor of the Palmer House. In addition to The Scholar's Choice, which will be representing several publishers, SSHA welcomes the following exhibitors: the University of Minnesota (Minnesota Population Center), Cambridge University Press, the University of Chicago Press, and Haymarket Books..

Exhibit Schedule:

Friday, November 22, 8:00am-5:30pm
Saturday, November 23, 8:00am-5:00pm

The City of Chicago

Chicago is a world-class city of unsurpassed beauty, attracting visitors from around the nation and the world. Located on the shores of Lake Michigan in the heart of the Midwest, Chicago is home to the blues, experimental jazz, Wilco, Common, sports teams, an internationally renowned symphony orchestra, spectacular live theater, celebrated architecture, thousands of restaurants, and museums and shops.

Architecture, Sightseeing, & Neighborhoods

The city of Chicago is a veritable museum of modern architecture. It is the birthplace of the skyscraper. For information about tours contact the Chicago Architecture Foundation, the Frank Lloyd Wright Preservation Trust, or Chicago Landmarks. Please see the “Helpful Phone Numbers” listing for contact information.

Chicago is known as a city of neighborhoods. To see Chicago and all its neighborhood complexity, you can travel the extensive transit network, or rent a car. But try to plan at least one walking tour. Twenty neighborhood and special tours depart from the Chicago Cultural Center at Randolph Street and Michigan Avenue, a convenient downtown location. The Chicago Architecture Foundation also conducts guided tours, by foot or bus, focusing on the city’s distinctive architectural heritage. The lakefront is only a short walk from the Palmer House Hilton and, while it could be a bit chilly, leisurely strolls are possible. Even more accessible for a quick break from the hotel is Chicago’s central business district, the Loop, which offers architectural gems, outdoor sculpture, shopping and some of the city’s major tourist attractions. The best view of Chicago can be seen from the Willis Tower (formerly Sears Tower), located at 233 S. Wacker Drive. The Hancock Observatory, about one mile north of the Palmer House, provides spectacular views of Lake Michigan, Navy Pier, and Lincoln Park. This 94th-floor observatory, more than 1,000 feet above Chicago at the John Hancock Center, features an open-air skywalk, the Midwest’s highest open-air experience.

Museums

First of your list of museums to visit should be The Art Institute of Chicago (with free entry on Thursday evening). With its famous lions adorning its entrance, this world renowned museum is located just blocks from the Palmer House, on Michigan Avenue where Adams Street ends. The Field Museum of Natural History also comes highly recommended, located at Museum Campus just south of Grant Park. The Alder Planetarium and the Shedd Aquarium are also located there. The Museum of Science and Industry and the DuSable Museum are in Hyde Park, reachable by bus or cab. If you plan to visit a number of museums, you may want to purchase a CityPass, which includes all of the museums listed above, as well as the Hancock Observatory. The cost is \$89.00 for adults. You can purchase the pass as any of the museums or online at www.citypass.com.

Parks and Other Attractions

Located in downtown Chicago between Randolph and Monroe Streets, Millennium Park is an extraordinary showplace for sculpture, art, music, architecture and landscape design. This brand new 24.5 acre park showcases Chicago as one of the most culturally sophisticated and diverse cities in the world. Its centerpiece is the

dazzling Jay Pritzker Pavilion designed by Frank Gehry, one of the world's leading architects. Directly south from Millennium Park is famed Grant Park, home to beautiful Buckingham Fountain. Lincoln Park stretches across Chicago's north side.

Dining in Chicago

Chicago has it all when it comes to dining—and some of the best in the nation. Chicago is well known for Chicago-style pizza, hot dogs (don't forget the sport peppers), beef sandwiches and Midwestern steaks. Restaurants in the central areas and the neighborhoods range from the classics to trendy and up-to-the-minute spots.

Chicago Entertainment

Chicago has a stimulating and diverse music scene. Some popular downtown haunts for blues include Blue Chicago, Buddy Guy's Legends, House of Blues, and Kingston Mines; for a less touristed spot, try Rosa's Lounge near Logan Square. For jazz downtown, Andy's Jazz Club, Jazz Showcase, or The Back Room are all good stops. The Green Mill, once frequented by Al Capone and now a hipster favorite, is a short ride on the el from the Palmer House (Lawrence stop), while the Velvet Lounge, the headquarters of experimental Chicago jazz (AACM), is at the Chinatown/Cermak stop. Classic music lovers can inquire about tickets to the Chicago Symphony Orchestra at (312) 294-3000. Experimental music abounds; try the Hideout on Wabansia -- (773) 227-4433, or Elastic in Logan Square – (773) 772-3616.

Chicago's theater scene is known for its level of innovation. For performance schedules and half-price ticket availability (on the day of performance), please call HOT TIX at 312-977-1755 or visit www.hottix.org. You can also contact BestSeatsChicago at 800-342-7328 or www.bestseatschicago.com for your favorite concerts, sporting events, and more.

The Navy Pier, located on Lake Michigan just east of downtown, has been Chicago's landmark since it first opened in 1916. It now showcases a unique collection of restaurants, shops and plenty of entertainment.

Most importantly, enjoy your stay in Chicago! Information on restaurants and additional sites will be available near the SSHA registration desk.

Information about Chicago and Chicago entertainment is also available from the Chicago Convention and Tourism Bureau website – www.meetinchicago.com or online at the Reader: <http://www.chicagoreader.com/>

Chicago Area Universities

Chicago is home to both the University of Chicago and Northwestern University, as well as a number of other world class Universities. The University of Chicago is located in beautiful Hyde Park, just a short train or bus ride from downtown. By bus, the CTA #6 Jackson Park Express bus will take you from downtown Chicago to Hyde Park. Catch the bus southbound on State Street in the Loop. Get off at 57th or 59th Street, walk under the train tracks, and continue west to the campus. By train, catch the Metra Electric commuter train at the Randolph, Van Buren, or Roosevelt station. Get off at 57th or 59th Street and walk west to the campus.

Chicago Information

Northwestern University is located in Evanston on the shores of Lake Michigan. From downtown the campus is most easily accessible by train (the 'L') by taking the Red Line train north to Howard and transferring to the Purple Line. Exit the purple line at Foster and walk east three blocks to campus. Those wishing to see downtown Evanston may prefer to exit one stop early at Davis; walk east to Chicago Avenue and then North on Chicago to central campus.

Also easily accessible via the CTA Red Line train are DePaul University (Fullerton stop) and Loyola University of Chicago (Loyola stop).
